Arlon Announces the Release of New Print Media Brochure

Santa Ana, CA. – January 5, 2010 – Arlon announces the release of a new Print Media brochure. The new brochure was completely redesigned with a fresh new look and feel and includes detailed product information to educate customers about our products. It includes technical information, applications for each product and recommended laminates to use with each film. The brochure was designed to assist customers in choosing the right product for their application.

There were several new products added to the brochure including; DPF 6000XRP, DPF 4500G Clear, DPF 308, DPF 310, DPF 315, WF500MP and Series 3350. The new brochure is completely up to date with detailed and accurate information on the full line of Print Media products Arlon offers.

About Arlon:

Arlon, Inc., established in 1958, manufactures and markets a full line of high quality pressure sensitive cut vinyl, flexible substrates, and print media films for the digital imaging, signage, vehicle graphic and screen printing industries. Arlon is headquartered in Santa Ana, CA, with strategically positioned distribution out of Australia, Europe, India, Latin America and Uruguay to service our customers worldwide.
