DPF 6000RP White

DPF 6000RP White is a gloss white cast film with tinted, permanent pressure sensitive adhesive. Designed for large format graphics, DPF 6000RP White is made of premium quality cast facestock with a special lay-flat liner. The special adhesive system is designed to provide excellent opacity, as well as easy installation. The film provides superior conformability around rivets, curves, contours and channels.

DPF 6000RP White is rated for outdoor durability up to 10 years (unprinted). Printed durability is dependent on the ink system used.
