

ARLON

DPF 8000™ ULTRA TACK WHITE

DPF 8000™ Ultra Tack is the perfect film when your projects encounter challenges due to an uncontrolled surface or substrate. DPF 8000™ Ultra Tack is the ultimate premium film for hard-to-stick surfaces. A durable film combined with a high tack adhesive system allows you to use one film for all of your difficult projects from plastic dirt bikes to textured substrates. Apply DPF 8000™ Ultra Tack with heat on textured substrates and it will conform to slight contours and textures easily. Match up DPF 8000™ Ultra Tack with one of our many overlaminate options to customize the finish of your hard-to-stick surface projects.

Unique Features:

- ▶ The Hard-To-Stick Surface Solution
- ▶ Ultra Tack Adhesive

Applications:
